Retail on-highway diesel prices are published by the Energy Information Administration of the US Department of Energy. For purpose of setting the Fuel surcharge fee, an average is calculated based on a monthly average immediately prior to the customers invoice period. Any rate below \$1.70 a gallon will remain at 1%. Any Price above \$7.62 a gallon the table will be expanded. All of Lecks averages will be based off of the US On Highway Diesel Fuel Cost per Gallon, EAST COAST (PADD1)

Waste Services Since 1971

Retail on-highway diesel prices are published by the Energy Information Administration of the US Department of Energy. For purpose of setting the Fuel surcharge fee, an average is calculated based on a monthly averager immediately prior to the customers invoice period. Any rate below \$1.70 a gallon will remain at 1%. Any Price above \$7.62 a gallon the table will be expanded. All of Lecks averages will be based off of the US On Highway Diesel Fuel Cost per Gallon, EAST COAST (PADD1)
