Set-out Guidelines

PICK UP TIME: Please have all trash out the night before your collection day. If trash is not out by 6am, we cannot guarantee pickup. During periods of inclement weather, we may require it to be out earlier. Thank you for your cooperation.

Sorry, We Can't Take Everything

For safety and health reasons, we cannot pick up the following items:

- Demolition, construction or discarded building materials like drywall, roofing, brick and wood
- Trees, large tree limbs or tree stumps longer than 3 feet in length (only limbs cut shorter than 3 feet and tied and bundled will be taken)
- Brush and vegetation from building contractors, commercial tree trimmers or lawn services
- Sod, fill dirt and trash from contractor cleaning, and other materials that require special handling, explosives, pathological and biological waste, radioactive material, ashes and sand
- Automotive parts like engines, rear ends, springs, fenders and seats
- Farm equipment, marine vessels, or any other major parts
- Septic, human and animal waste (minimal amounts only, like diapers, dog waste and kitty litter are ok)

Acceptable Recycling Items

- All paper grades. If you can Rip it, Recycle it!
- Empty aluminum, metal, tin and steel cans (please rinse; put lids in cans)
- Glass bottles and food jars (please rinse; labels are okay)

Bulk Items

Bulk waste includes large items such as appliances (except refrigerant chemical containing items and electronics), carpet and furniture. Each household is allowed to place one bulk item at the curb once a week. Most bulk waste will be collected on Wednesday. Excluded from any bulk collection are automobile parts, bulk storage tanks and drums, tree trunks and demolition materials. Freon items such as refrigerators, freezers, air conditioners and dehumidifiers containing CFC's and electronics such as computer monitors, peripheral's, hard drives or TV's, must be called into the office and scheduled as a separate pick up. Freon items will be charged \$75.00 per item and electronics will be charged an additional rate depending upon the item, contact us to schedule this service.

Yard Waste

Yard Waste will be collected every other week on Thursdays from April 1 to December 1 and should be placed curbside Wednesday evening for early morning pickup. Yard waste includes sticks, branches less than three (3) inches in diameter, and twigs tied in bundles three (3) feet in length or less, or placed in trash cans or in biodegradable bags. Leaf waste shall include leaves, grass and soft garden waste, and shall exclude items such as branches, fruit, vegetables and hay bales. Leaf waste shall be placed in either biodegradable bags or regular 30 gallon trash containers without plastic liners. Such containers shall weigh no more than fifty (50) pounds per container. The number of containers shall be unlimited.

Residential Shredding Service

Do you work from home or do you have years of old, sensitive financial information stored at your home? If these documents fell into the wrong hands, the damage could be devastating. How do you safely dispose of all of that information? Leck offers easy and secure curbside shredding services for residential customers for an additional fee.
